
QUESTIONS AND ANSWERS,
CHANGE OF THE DEADLINE OF SUBMITTING OFFERS

Case number: 101883v2 / 2018

Type of Contract: SUPPLY

concerning : Contract Notice to the proceedings except for the provisions of the Act – Public

Procurement Law entitled:

SUPPLY: „The RTA 30 MHz antenna set delivery”

According to the question which was received by the Buyer in this proceedings Buyer gives the following answer:

Supplier's question :

Should the ordered software include only the possibility of 2D data analysis or should it also include the possibility of interpretation and visualization of 3D data?

Buyer's answer :

Buyer requires that the offered software include 2D data analysis, at the same time allowing as equivalent solution software to work in both 2D and 3D systems.

Buyer informs that the deadline for submitting offers indicated in the Contract Notice is subject to change on 14/03/2018 until 10.00.

Kind regards

Katarzyna Giel-Cieślińska
